

### **3 Heart's Desire** (Sum of the vowels in the name = 3)

- *"I am the greatest; I said that even before I knew I was."*
- *"I'm not the greatest; I'm the double greatest. Not only do I knock 'em out, I pick the round."*
- *"I am the astronaut of boxing. Joe Louis and Dempsey were just jet pilots. I'm in a world of my own."*
- *"It's hard to be humble, when you're as great as I am."*
- *"I think Terrell will catch hell at the sound of the bell. He's going around saying that he's a championship-fighter but when he meets me he'll fall 20 pounds lighter. He thinks that he's the real heavy weight champ but when he meets me, he'll just be a tramp. Now I'm not sayin' that just to be funny, I'm fightin' Ernie because he needs the money."* – **Muhammad Ali**, 3-time world heavyweight champion boxer, **3 Heart's Desire**.

**Please note:** The following **WILL BE** modified, to a greater or lesser extent, by other numbers in your chart! Other strong 3 energy elsewhere will reinforce these potentials. Weak 3 energy or conflicting numbers elsewhere will dilute these potentials (for a listing of numbers incompatible with 3, click [here](#)). Please keep this in mind.

#### **Potential Positives**

- You secretly want to: have an adoring audience, be popular, have many friends, be surrounded by beauty and be in love.
- Color, music, love and beauty inspire you intensely. You LOVE beautiful things!
- You want to be seen as friendly, outgoing, social, witty, creative and fun-loving.
- You want to spread joy and have a good time! (please don't let other numbers, such as 4, 7 or 8, stifle this desire in you).
- You want to express yourself (common modes: acting, singing, writing, decorating, speaking, playing a musical instrument, teaching, selling, dancing, all artistic modes, etc.)
- You could be a bit of a comedian. You enjoy entertaining people with your witty jokes, animated stories and good sense of humor (depending on other numbers, of course). See the potential negatives (below) related to this too.
- You have a charming, sparkling personality and make a great companion because you want everyone to have a good time when they're with you.
- You have a radiantly imaginative, optimistic and inspirational mind. At your best you refuse to entertain negative thoughts.
- You most likely have a great love for children, pets and all animals.
- You probably take things as they come better than most people.

- You are most likely fashionable and fashion conscious. You like to look good.
- Because of your playful, fun-loving personality you like to flirt but you are also very faithful once your big heart is committed to someone you love.
- This is a most positive Heart's Desire and you possess the charming ability to attract good will, trust and help from people.

### **Potential Negatives**

- You may think you are the greatest thing since sliced bread if the numbers 3 and/or 1 are strong in your chart (as in the case of Muhammad Ali)!
- As well as having "a gift for gab" you could be a compulsive talker. You must also be careful not to gossip.
- If you are suppressing or blocking your innate desire to express yourself you have a tendency to daydream and fantasize about expressing yourself. If you overcome your self-doubt, self-consciousness and/or emotional sensitivity and chance expressing yourself, you will be pleasantly surprised just how good it feels to express your heart's desire!
- Although you can be very entertaining and enjoy expressing the lighter side of life, you may have difficulty expressing your deeper feelings and innermost thoughts. You could have a tendency to channel your deeply felt emotions and feelings into creative and artistic forms rather than sharing intimately.
- You could have a tendency to begin projects and not finish them. With your insatiable curiosity and imagination, you can scatter your energy in many different directions (especially if the number 5 is present elsewhere in your chart)
- You could learn some self-discipline and commitment (like the numbers 4 and 8 have) to make full use of all your potential. Hard work, concentration and patience will bring out the best and most inspiring in you. Read about numbers 4 and 8 to invoke this energy.

**Hillary Clinton** (Hillary Diane Rodham), U.S. Secretary of State. Hillary doesn't seem like a 3 Heart's Desire person, does she? This is where you have to understand more about numerology (and other personality systems, I might add). The name "Hillary" has an 8 Heart's Desire and a 4 Expression (yes, that matters too!). She was born on the 26<sup>th</sup> which vibrates to the number 8. Hillary also has a 30/3 Life Path (born 10/26/1947) so she is learning how to express the positive side of the number 3 in this lifetime! There are more subtle clues about why she is the way she is that I won't go into here (but here's a hint: she's a One on the Enneagram and ENTJ in the Myers-Briggs system). But, Hillary DOES like attention and an adoring audience, characteristic of the 3 Heart's Desire. She DOES have the gift of gab and DOES like to communicate her ideas and opinions.
